**FIRST ANNOUNCEMENT
CALL FOR ABSTRACTS**

INVITATION TO THE ANNUAL CONFERENCES AND WELCOME TO CHINA PHARMACEUTICAL UNIVERSITY

The Good Practice in Traditional Chinese Medicine Research Association (GP-TCM RA) and the TCM Pharmaceutical Analysis Specialty Committee of the World Federation of Chinese Medicine Societies (WFCMS) invite all scientists from academia and industry dealing with traditional Chinese medicine, natural medicines, medicinal plants and acupuncture to this conference. In addition to presentation and discussion of research progress in traditional Chinese medicine and natural medicines, it will be a major goal of this conference to provide a platform for intense networking.

This scientific meeting will be held in China Pharmaceutical University located on the shores of Xuanwu Lake in the central-northeast part of Nanjing in Jiangsu, China. Nanjing is a picturesque city which played an important role in Chinese history. China Pharmaceutical University is China's first independent school of pharmacy and it has been one of the best universities of pharmacy in China with a wide variety of specialized areas.
